## About Jerry Poteet

Jerry Poteet (pictured with Bruce Lee, far left) was one among five students hand-selected by Bruce Lee to receive personal training at the martial arts legend's home. Taught by Bruce Lee in the years just prior to his premature death, the method of Jeet Kune Do learned during this final period is considered to be the most refined and complete.

Poteet continues to teach the method of Jeet Kune Do learned in Bruce Lee's last years at his own Los Angeles training studio.

Between teaching students and giving seminars to martial arts devotees throughout the world, Poteet lends his expertise to Hollywood as a fight choreographer, along with his partner Fran Joseph.
