Dear Community Member:

Do you remember some of your Elementary school teachers? Many of us have one or two teachers we have happy memories of during our Elementary school years. Elementary school years are school years which may help build our confidence and love for learning. Mother Teresa Academy, a Private school in Clifton Park, New York is striving to ensure its students have a love for learning and working towards creating fond memories for its students of their Elementary school years.

Mother Teresa Academy was started with the Mission to enrich students academically and spiritually. The school is Not-For-Profit and teaches Catholic Values. It is neither a public school nor a Diocesan school and so it is solely funded on tuition and fundraising. Mother Teresa Academy needs the help of its community with an upcoming fundraiser. Mother Teresa Academy will hold its annual Golf Tournament on Friday, September 24, 2010.

We are asking businesses to donate goods/services for auction or participation in a sponsorship package at the event to help raise money to help Mother Teresa Academy. Mother Teresa Academy has been very blessed and has expanded. The goal is to open a second building for grades 1-5 and create a scholarship funding program for families who need assistance.

Businesses contributing items such as water, fruit, and/or gift certificate will be able to display advertising material on the Registration Table. The names of companies donating goods/services will be listed in promotional materials for the Golf Tournament. Additionally, goods/services donated to the Mother Teresa Academy are potentially tax-deductible as Mother Teresa Academy is a registered 501(c)(3) charitable organization.

Thank you for your involvement in helping children to have the opportunity of attending Mother Teresa Academy.

With warm regards,

Henry T. Maddalone, President of Board of Trustees
