### To love a Child

It is all about the love for a child; a child on the other side of the world or a child in your own back yard. It is about a child who needs education, essential supplies and support services. It is about a child who needs a warm hug, a smile and the hope, strength and encouragement to keep going and not give up. It is who we are and what we strive to do.

To Love a Child currently has active projects in Haiti, Zimbabwe and the Capital Region. Please visit their website at [www.toloveachild.org](http://www.toloveachild.org) to learn more.
