Motivated by a picture from an old travel book, a feisty parolee follows her dreams to a small town in Wisconsin and finds a place for herself working at Hannah's Spitfire Grill. The eatery is for sale but there have been no takers for a very long time, so she suggests that Hannah raffle it off: the person who writes the best essay about the town and the grill wins the restaurant and the two-story house attached. Mail starts arriving by the wheelbarrow-full and then things really get cookin' at
the Spitfire Grill!
