TOWN ANNOUNCES LATE SUMMER POOL MEMBERSHIP RATE REDUCTION

The Town of Clifton Park Office of Parks, Recreation and Community Affairs has announced that beginning Friday, July 30, membership fees to all three town pools will be half price. This change is typically made on August 1, but since that date falls on a weekend, Town Supervisor Phil Barrett has opened up half-price memberships on the Friday prior to August 1.

For the last month of the season, pool membership will be \$60 for an individual, \$95 for a couple and \$127.50 for a family. Children ages 3 and under are free when a parent is a member.

The pools are located on Burning Bush Blvd. in the Country Knolls development, Locust Lane and Barney Road, both in the Clifton Knolls development.

Residents may purchase the half-price memberships beginning 8 a.m. on Friday, July 30 at Town Hall in the Office of Parks, Recreation and Community Affairs or online at www.cliftonpark.org. Call 371-6667 for information.
