

# Fall Colors...

## from a different perspective

## Historic Grooms Tavern Clifton Park First Friday October 1 @ 7 p.m.

Join us for a presentation by David Behm, a Clifton Park resident who is a self-taught naturalist and amateur photographer. His color slide presentation will illustrate a surprising palette of colors and hues annually displayed by more than 150 species of forbs (those plants that are not trees, shrubs or grasses) that we often overlook while leaf-peeping at our woodlands each autumn.

Historic Grooms Tavern is located at the corners of Grooms and Sugarhill roads in Clifton Park.  
Parking is off of Grooms Road to the rear. Please enter the building from the rear entrance.

Sponsored by the Town of Clifton Park
