AUGUST 4, 2011

OFFICE OF THE SUPERVISOR

## 2011 BULK WASTE PICKUP TO START THE WEEK OF SEPT. 11, CONTINUE THROUGH END OF MONTH

The Town of Clifton Park has again partnered with County Waste to conduct a curbside bulk waste collection starting Sunday, Sept. 11 and continuing for the following three weeks.

The town has been divided into thirds, one for each week of collection. Residents will receive a notice in the mail several days prior to their collection week indicating their pick-up date and describing the items acceptable as bulk waste.

Residents are asked to place bulk items on the curb by 7:00 p.m. on the Sunday evening of their week. It will take up to seven days to pick up all items. There is no daily schedule by street, so residents are asked to be patient if all or any items are not collected early in the week.

No household trash or Hazardous materials will be collected. (e.g.: fuels, paints, chemicals, tires, computer monitors or TVs, refrigerators, air conditioners). Hazardous materials will be collected during the town's free Hazardous Waste Day on Sept. 10. Residents can sign up for Hazardous Waste Day on [cliftonpark.org](http://cliftonpark.org). No lawn debris, household garbage or brush will be collected.

**Please see the map on the next page to view collection areas.** You may need to zoom in on the map to see your neighborhood more clearly. Apartment renters are asked to contact their property managers for information on when bulk waste pickup will be available in their complex.

### [Week 1 : Starts Sept. 11](#)
