OFFICE OF SUPERVISOR PHIL BARRETT

MESSAGE FROM SUPERVISOR BARRETT ON VICE PRESIDENT JOE BIDEN'S VISIT

On behalf of the residents of Clifton Park, I wish to welcome Vice President Joe Biden to our town.

Despite the short notice of this visit, town officials are coordinating with law enforcement, public safety officials and the Vice President's staff to ensure that all details are handled properly for this noteworthy occasion.

Congressman Scott Murphy is no doubt aware of Clifton Park's successful legacy of fiscal responsibility over the last several years, and this certainly underscores one of the reasons why Vice President Biden is visiting our town.

Clifton Park residents can be proud that their town government has eliminated town debt, maintained no town property tax, and reduced the town's highway tax by over 80 percent in recent years.

Again, I thank Vice President Joe Biden for coming to Clifton Park to update us on issues facing the Capital Region as well as the country at large and look forward to the opportunity for our residents to meet and speak with the Vice President.
