# TOWN OF CLIFTON PARK OFFERS TWO OPTIONS FOR FREE DISPOSAL OF CHRISTMAS TREES

Town residents have two ways to dispose of their Christmas trees for free this holiday season.

Residents of the town of Clifton Park can place their un-bagged, non-artificial Christmas trees at the curb to be picked up by County Waste during the weeks of January 10, 2011 and January 17, 2011.

Trees will be mulched and therefore must be free of any lights or decorations. Residents are asked to keep trees in an accessible location and free of snow. Trees should be placed on the opposite side of the driveway from the trash cart.

Clifton Park residents can also bring non-artificial, un-decorated Christmas trees to the town's Transfer Station on Vischer Ferry Road. A permit is not required and there is no fee.

"The Town Board is pleased to provide these two Christmas tree disposal options free to residents and at no cost to taxpayers," Town Supervisor Phil Barrett said. "County Waste has generously offered this service to our residents and the Clifton Park Transfer Station is also available for anyone who wishes to dispose of their Christmas tree."

For more information call Barrett's office at 371-6651.
