ENERGY EFFICIENCY TIPS AVAILABLE FROM STATE PUBLIC SERVICE COMMISSION

Town Supervisor Phil Barrett today encouraged residents to visit the state Public Service Commission AskPSC.com website or call the toll-free information line, 1-888-AskPSC1, to learn how to save money and energy this summer.

The website aims to inform people about steps they can take to use less electricity but still keep cool this summer and also update residents on this summer's electricity outlook.

Energy Efficiency.
Use less energy. Save more green.

- Tips to Get the Most from Your Energy Dollar
- Sources of Energy Efficiency Programs and Services
- Tax Credits
- Low Income Energy Efficiency Programs

One of the most immediate and cost-effective ways to lower your energy bills is to be energy efficient. Find out how you can reduce your energy use, save money, and help New York meet its energy goals!

Energy efficiency measures will help residential and business customers control their summer energy costs, protect the environment and assist the state in meeting peak electricity demand.

For more information, visit www.AskPSC.com or call the toll free number, 1-888-AskPSC1. As always, residents are encouraged to call Supervisor Barrett's office at 371-6651 with any questions.
