Albany International Airport of Albany, New York welcomes the men and women of our armed forces. We recognize that our military personnel give great sacrifices to our country and are often away from home and family on deployments. We offer food, drinks and media entertainment in a comfortable setting for all service people who are in transit through the airport. Services include phone, TV, DVD's, x-box, free wi-fi and laptops. All military courtesy room personnel are volunteers with most having military background or association. Assistance will be provided for all those in need due to travel delays and cancellations as well as family emergencies. Overnight stays can be accommodated in the room or with our partner hotel, the Comfort Inn Airport and Conference Center.

The Captain John McKenna Military Courtesy Room would like to thank the Albany County Airport Authority for graciously providing the room and utilities for this project. We would also like to thank all those who have contributed room items or financially, recognizing that without you this project would not be possible.
