

Clifton Park Community Update September 23, 2009

Clifton Park resident donates paving for walkway at Clifton Common baseball fields

Above: Clifton Park Town Supervisor Phil Barrett, left, stands with Clifton Park Baseball League President Joe McCrudden, right, and Barton Andreoli, Jr. of Towne Construction and Paving on Thursday, Sept. 17 at the recently completed asphalt walkway near the baseball fields on the Clifton Common.

Towne Construction and Paving donated the labor and materials to pave the walkway from the parking lot to the dugouts and concession stand at the fields. Mr. Andreoli lives in Clifton Park and was kind enough to donate this service to benefit his fellow residents.

“The new walkway will make it easier for spectators and players to access the baseball fields at the Clifton Common, and I applaud Towne Construction and Paving for their generous donation,” Barrett said. “The walkway will be especially helpful for Challenger Division baseball teams, which consist of boys and girls with physical challenges.”
