OFFICE OF THE SUPERVISOR

FREE YARD WASTE PICK-UP TO BEGIN MONDAY, MARCH 29

Through an agreement with the town of Clifton Park, County Waste will begin free yard waste pick-up for all town residents starting on Monday, March 29. Collections will continue weekly through November.

Leaves and brush will be collected in brown paper yard waste bags only. No yard waste will be collected from garbage cans. Small, bundled brush that is less than four feet long and three inches in diameter will also be collected. Waste pickup days will be every Monday, Tuesday or Friday.

To keep the streets and lawns neat and clean, bagged leaves and brush should not be placed out for collection until the night before the pick-up day. Residents south of Kinns Road will have pick-up on Monday or Tuesday. Collections north of Kinns Road will be on Friday.

For additional information on the yard waste pick-up program, call County Waste at 877-7007. As always, residents are also encouraged to contact Town Supervisor Phil Barrett's office at 371-6651 with any questions.
