

**The Town of Clifton Park  
GREEN Committee and  
the Canal Corporation Sponsor**

# **Clifton Park River, Parks and Trails Clean Sweep**

**Saturday, April 18, 2020, 9AM to 12PM**

Celebrate “Earth Day” and “National Volunteer Week” by donating your efforts to help cleanup our trails, parks and open spaces throughout Clifton Park and along the Mohawk River.

This is a great opportunity for churches, synagogues, Girl Scouts, Boy Scouts, athletic teams and community groups to give back to the community.

Help us keep Clifton Park a beautiful place to enjoy and reserve a trail, park or open space to cleanup.

**Call 518-371-6651 or email Councilman Amy Standaert  
at [astandaert@cliftonpark.org](mailto:astandaert@cliftonpark.org) to sign up today!**

The town will provide trash bags and will collect all trash and debris
