TOWN OF CLIFTON PARK TOWN BOARD

June 20, 2023

The meeting of the Town Board of the Town of Clifton Park was held in the Town Office Building at 7:00 p.m. Supervisor Barrett presiding.

Present: Supervisor Barrett
Councilman Morelli
Councilwoman Walowit
Councilman O’Hara
Councilwoman Reid
Town Clerk Brobston

Also Present: Town Attorney McCarthy
Mark Heggen, Comptroller
Daniel Clemens, Director of Parks, Buildings & Recreation
Dahn Bull, Superintendent of Highways
Michael Woerner, Director of Parks & Recreation
Norah Hoefner, Communications and Technology Coordinator

MINUTES

MOTION by Councilwoman Walowit, seconded by Councilman Morelli, to approve the Town Board minutes of June 5, 2023, as presented.

ROLL CALL VOTE

Ayes: Councilman Morelli, Councilwoman Reid, Councilman O’Hara, Councilwoman Walowit, Supervisor Barrett

Noes: None

MOTION CARRIED

ANNOUNCEMENTS & COMMUNICATIONS

Supervisor Barrett reminded residents of the 4th of July festivities. Parade will begin at Noon at the Shen Campus continuing to the Clifton Common. The Freedom Mile Race starts before the parade, information can be obtained from the Parks & Recreation Department or on the website. Bands start late in the afternoon and continue into the evening and complete the day with fireworks.

Supervisor Barrett updated residents on the Country Knolls Pool Liner Project. He stated the liner work is complete, later than expected, now the Town will begin filling the pool and have it open as soon as possible. The other two Town pools are open.

Councilman O’Hara stated, the Friends of Historic Grooms Tavern and the Clifton Park Historic Commission, have invited the local Aurgen-Seely Chapter of amateur archaeologists to perform an archaeological survey around the Blacksmith shop, Wagon Shop and Grooms Tavern the 1st and 2nd weekends of July. The public is welcome. Additional information will be posted on the website.

PUBLIC HEARING-Proposal to amend Chapter 176 of the Town Code Re: Street opening, or excavation permits 7:05PM

Town Clerk Brobston read the public hearing notice that was advertised in the June 8, 2023 edition of the Daily Gazette.

Supervisor Barrett explained, from the outcome of the recent audit, with regard to street opening or excavation permits, proposed changes to the law are presented to bring more structure to the process.
Attorney McCarthy explained the proposed local law changes for Chapter 176 of the Town Code are specific to procedures, record keeping and time frames review for permit applications for companies that have reason to occupy Town right-of-way and, in some cases, to bury lines underneath the roadways. This chapter was intended to give the Highway Department the ability to require a permit application from companies for a business reason, such as National Grid, to supply service to the public. The Town became aware of issues with this procedure in August of 2022. The Supervisor requested an outside auditor, Cusack & Co. CPA, to audit the Highway Departments processes, record keeping and fee collection of this process. These proposed changes to the law are directly related to what was found in the audit. Records were missing, it was hard to determine how many permits were applied for, no date-stamped copies and timeframes had no uniformity. An additional point is to separate these types of businesses from an individual residence. Emails were presented to the Town Clerk pertaining to this proposal. Attorney McCarthy reviewed each change proposed. Fees to be established by resolution of the Town Board, as updated from time to time. A fee structure was requested by Fios in the existing market. He stated the Comptroller’s Office was not aware of how many permits were received. The proposal provides an annual report to the Town Board. Attorney McCarthy continued with an overview of the proposed changes.

Rain Lalukota, Balsam Way, stated it is good to review policies and procedures in each department yearly to see where the Town lacks checks and balance.

Joanne Coons, Balsam Way, read a prepared statement questioning the timing of the proposed amendments. She stated the current Highways Superintendent was following the already in place procedures. She stated procedures and policies should be written clearly and made public so the residents can all understand the processes.

Supervisor Barrett stated the audit could have been done sooner, but the Highways Superintendent did not cooperate with the auditor.

Attorney McCarthy stated, fall of 2021, started a series of emails regarding permit applications and stated at that time would be a good time to update Chapter 176. Attorney stated Highways Superintendent stated, at that time, he would bring his questions to the Town Board. An email regarding the conversation was presented to the Town Clerk.

Councilwoman Walowit stated the outside audit, which had no agenda, was performed with no political motive.

Attorney McCarthy showed a list of permits given by National Grid that they had applied for, to the auditors and during that time 2021-22 and the amount that the Town had in lost revenue.

Comptroller Heggen stated, the Comptroller’s Office recognized no street opening permits fees/revenue was collected prior to 2021, the majority of the revenue that was recognized in 2021-22 was from Greenlight, just over $20,000. He stated during the same time through 2022 the Comptroller did collect $500 deposits from the Highway Department for road open permits and that was approximately $14,100, of that amount if you take each permit of $150 that’s $3,750. He stated National Grid applied for 20 work permits on an annual basis of $18,000 between 2017-22. He stated there was some revenue in 2021-22 that was recognized as $1,500-$2,000. Verizon did submit approximately 15 permits and received a permit by depositing $500 for each permit, $7,500 of revenue the Town took in in 2022-23.

Highways Superintendent questioned the Comptroller, between 2000-2017 how much money was collected by former Highway Superintendents?

Comptroller Heggen answered he received no money.

Attorney McCarthy stated the current code went into effect in 2012. Prior to 2017 there was no code in effect and that is the problem.
Supervisor Barrett read from the audit report for responsibility of permits to be reviewed. He stated as long as the procedures are corrected that’s the goal.

Comptroller Heggen pointed out the report that the CPA firm did is an agreed upon procedures report and is not an audit, but has a level of assurance, but it is not an audit. It is another moniker for accounting terms.

Attorney McCarthy describes the report as a management report, an analysis of policies and procedures.

Councilman Morelli provided a copy of the duties of the Highways Superintendent for the resident requesting it as per State Law. Councilman read legal options provided by the State Comptrollers website relative to the Highway Department and the Town Board. He stated it is the Town Board’s job to ensure the finances of the Town are being adhered to in a proper manner. Town Law NY 123 gives the Town Board the ability to ask of any town officer for a public accountant of examination of the books, etc. Councilman went over the proposed changes. He commented that the changes are in relationship to issues raised in the report to correct them going forward.

Supervisor Barrett stated numerous complaints have come in over the years from residents about companies working in the easements and the condition of their property. He stated when those concerns are raised in the Supervisor’s Office, they call the companies involved and explain the concerns and follow-up with the residents. He stated companies have always been very responsive.

Attorney McCarthy stated these proposed amendments would require accountability. He stated in his legal terms the audit/report is called a Management Audit/Report.

Public Hearing closed at 7:48 PM.

RESOLUTIONS

Resolution No. 141 of 2023, a resolution directing the Highways Superintendent to cease paving streets and highways within the Town pending execution of an agreement on funding pursuant to Highway Law.

Introduced by Councilman O’Hara, who moved its adoption, seconded by Councilwoman Walowit.

WHEREAS, Section 284 of the Highway Law requires a written agreement between the Highways Superintendent and the Town Board, and

WHEREAS, by Resolution No. 100 of 2023, the Town Board approved a paving contract with Evolution Construction Services and Jointa Lime Co. for the 2023 Clifton Park Highway Paving program, and

WHEREAS, the Town Board has requested a written paving list and agreement multiple times at Town Board meetings, under Section 284 of the Highway Law, from the Town Superintendent of Highways, and

WHEREAS, to date, the Superintendent has failed and refused to provide either a full list of highways scheduled to be paved during the Summer/ Fall of 2023 or an agreement pursuant to the Highway Law; now, therefore, be it

RESOLVED, that the Highways Superintendent is directed to provide a full and complete proposed list of Town streets and highways to be repaved and maintained pursuant to the contracts approved in Resolution No. 100 of 2023, by July 3, 2023, in order to continue operating pursuant to the contracts approved in such resolution.
ROLL CALL VOTE

Ayes: Councilman Morelli, Councilwoman Reid, Councilman O’Hara, Councilwoman Walowit, Supervisor Barrett

Noes: None

DECLARED ADOPTED

Councilman Morelli read parts of New York State Highway Law Section 284. He stated an agreement between the Highway Department and Town Board must be written and signed to agree to the paving from the list and authorize the payments for the year. This agreement has not been received nor has the paving list been submitted.

Resolution No. 142 of 2023, a resolution appointing Mark Brockbank to the Industrial Development Agency (IDA).

Introduced by Councilwoman Walowit, who moved its adoption, seconded by Councilman Morelli.

WHEREAS, a vacancy for a member exists on the IDA, and

WHEREAS, Mark Brockbank has been recommended to fill the position, and

WHEREAS, Mr. Brockbank has the background experience, education and training to act effectively as an agency member; now, therefore, be it

RESOLVED, that Mark Brockbank is hereby appointed as a Member of the IDA for the remainder of a one-year term, term to expire December 31, 2023.

ROLL CALL VOTE

PUBLIC PRIVILEGE

Mark Brockbank, Stoney Creek, thanked the Town Board for his appointment to the IDA and is looking forward to taking part in the experience.

Darlene McGraw, Halfmoon, voiced concern with The Crossing Boulevard sidewalk work to be completed. Voiced appreciation for the Town volunteer firefighters and the tax exemption.

Supervisor Barrett explained, the firefighters and EMS tax exemption was passed by resolution by the Town Board recently to receive the benefits for this year. He stated most local Town’s passed the exemption, as well as the County. Per State law for firefighters to receive the fire district benefit, they must live in the district of which they serve. If firefighters serve in a different district that they live in, they will not receive the district tax exemption benefit and that is in the Fire Department resolutions that they passed. The question is, are they eligible for the other three, Town, County and School jurisdictions. Since all three of those jurisdictions passed legislation saying yes, they want to take what the State is offering and make sure our local volunteers benefit in our individual jurisdiction. He stated there is a difference of opinion, as far as the Assessor’s Office is concerned, they don’t believe this is the case. Their opinion is that if firefighters live in a district but serve in another district, they are not eligible for any of the tax exemption benefits. He explained the Assessor’s Office, statutorily, is separate from the Town Board so the Town has no authority to get involved or override the decision. The Assessor has a six-year term to offer a separation that may be applied in different situations. The Supervisor stated he believes the firefighter should receive the Town, County and School tax exemptions benefit no matter if they live outside the fire district they serve in. The Town and Fire Districts have solicited legal advice.
Councilman Morelli stated Clifton Park Town Board was out front in passing this resolution in support of the multiple districts in Clifton Park.

MOTION BY Councilwoman Walowit, seconded by Councilman Morelli to adjourn the meeting to the next regular meeting or any other meeting necessary for the conduct of town business.

Motion carried at 8:34 PM

Teresa Brobston
Town Clerk
