Bowman Orchards has been in existence since the 1700's and has belonged to our family since 1952 when Ray and Bev purchased the farm. Currently there are four generations of Bowman's involved on the farm, ranging in age from 86 years old to 11 mos. Here at Bowman's we pride ourselves in being "all about the apples" and we grow over 63 different varieties of yummy juicy apples! But that's not all we do here....we also grow Strawberries, Raspberries, Blueberries, Blackberries, Cherries, Peaches, Tomatoes, Pumpkins, Mums, Eggplant, and soo much more!!

Last spring of 2018 we started construction on our new 4200sq ft retail store. We were hopeful to be in the store by our busy Fall season but as most deadlines do, that came and went and we had to make other plans. One full year later we were finally able to have our Grand Opening in May and so far our customers are LOVING the new store!

The fall season we will be offering; Apple Picking, Horse-Drawn Hay Rides, Pony Rides, Play Area, 6-Acre Corn Maze, Kids Coloring Wall, Apple Cannon, Peddle Karts, and for the younger kids.....a Cow Train.
